

Join us on for the TOEFL & TOEIC Day!

ETS Global Eastern Europe would like to invite you to a **free teacher's seminar** during which we would like to present our two leading exams – TOEFL® and TOEIC®.

 The TOEFL® test is the most widely respected English-language test in the world, recognized by more than 8,000 colleges, universities and agencies in more than 130 countries. Wherever your learners want to study, the TOEFL test can help them get there.

 Since 1979, organizations around the world have used the TOEIC® test to hire, place and promote employees. Today TOEIC® test scores are used by over 10,000 companies, government agencies and English language learning programs in 120 countries, and more than 6 million TOEIC tests were administered last year.

All the participants will receive the certificates of attendance and information materials sets, including test samples.
